Program Philosophy

The West Geauga Recreation Council, a not-for-profit organization, was formed in 1948 by a group of volunteers who saw a need to develop recreational programs for the youngsters of the West Geauga community. The program has grown over the years, but its purpose has not changed. The Day Camp is one of our largest and most successful programs for children entering kindergarten through entering 8th grade. The Day Camp provides children with a variety of activities and the opportunity to play outdoors in a structured, supervised environment and enjoy the “lazy days” of summer. Our staff/child ratio is 1:6-10.

Admission Policy

Enrollment is based on a first-come, first-served, basis. Parents/guardians must register their child(ren) through the WGRC at P. O. Box 393, Chesterland, Ohio 44026. The WGRC does not discriminate in enrollment of children based upon race, color, religion, sex, or national origin. The Day Camp is NOT a drop-in program. All children must register and pay fees by the 1st day of the session/week. No refunds will be given. A child's continued enrollment is conditional on the parents' and child's adherence to all the policies and procedures of the program.

Staff

The Camp Director has a bachelor's degree in education, recreation or a related field. Counselors are hired from the community and are at least 16 years of age. All staff have first aid and CPR training.

Lunch/Snacks

Children are required to provide their own lunch and snacks for the day. Children in Extended Care should pack an extra snack. There is no refrigeration so utilize cold-packs/coolers for food requiring cold storage. Drinking water is available at the camp site. Children are encouraged to bring a water bottle.

Apparel

Please send children in outdoor, comfortable clothing and closed toe shoes that can become dirty or stained. Boots are recommended for muddy conditions. Each camper is required to wear a group color-coded t-shirt daily. You can purchase these from the camp or provide your own. PLEASE LABEL ALL ITEMS. Kindergarten – Blue; 1st Grade – Orange; 2nd Grade – Yellow; 3rd Grade – Red; 4th Grade – Green; 5th Grade – Purple; Middle School - Grey

Arrival

Children are to report to their campsite and their Counselor no sooner than 8:55 AM. The Counselor will sign the child in on the Daily Attendance form. If your child is unable to attend, please call the camp by 9:00 AM at (440) 729-7664 and report his/her absence.

Departure

A parent/guardian is required to come to the campsite and sign the child out. The Counselor must be notified of the child's departure. Children can be released only to those individuals the parents have designated. Absolutely no exceptions will be made without prior written or verbal communication with the parent or guardian. If the WGRC Day Camp is not notified that someone other than the person who normally picks up the children is sent, the child will NOT be released until the parent/guardian is contacted.

PARENTS MUST PICK UP THE CHILDREN BY 3:00PM UNLESS SIGNED UP FOR EXTENDED CARE. AT 3:10PM, THE CHILD WILL BE PLACED IN EXTENDED CARE AND THE PARENT/GUARDIAN WILL BE RESPONSIBLE FOR THE DROP-IN FEE.

Communication

Parents are expected to keep informed by reading any information sent home. Daily communication at pick-up is encouraged. Parents are welcome to visit any time during the program. Parent(s) or guardian(s) who are in need of assistance with problems that may occur in any aspect of the program should try to discuss and resolve the problem with the Camp Director. If they are unable to resolve the issue, the parent/guardian may call the Geauga County Board of Health at (440) 285-2222 or the Public Children's Services Agency at (440) 285-9141 to register a complaint.

Safety, Supervision and Transportation Policy

1. No child shall be left alone or unsupervised.
2. The policy governing the departure of children from the Day Camp is that the child is to be picked up by a parent or legal guardian only unless written or verbal permission is given to the staff.
3. Staff members have immediate access at all times to a working telephone located in the Director's Cabin.
4. In the event that a child needs emergency transportation, EMS is available and can be accessed by calling 911.
5. The Camp Director shall immediately notify the Public Children's Services Agency when a staff member suspects that a child has been abused or neglected.
6. In the event of an emergency creating a need for medical or dental attention, the staff will follow these procedures:
 - a. Administer first aid
 - b. Call for emergency transportation
 - c. Notify parent/guardian. If unavailable, staff will obtain information on the Emergency Health & Medical form and contact those persons listed.
7. In the event of a minor incident or injury, first aid will be administered, and the parent will be notified.
8. If a minor scrape or bruise occurs, the necessary first aid will be given and the parent notified on pick-up of the incident.

The Communicable Disease Policy

1. No staff member shall attend the program if they exhibit signs of a communicable disease. The WGRC reserves the right to request a physician's note for staff member to return to work.
2. If a child becomes ill at camp, the staff and parent/guardian will make the decision on whether to send that child home.
3. A child who has been suspected of communicable disease shall be isolated and sent home. The child will be within the sight and hearing of a staff member. No child shall be left alone or unsupervised. The child will be re-admitted to the program after illness when the parent and staff feel he/she is well.
4. Parents of other children in the Camp will be notified of exposure to the communicable disease verbally and/or in writing.
5. The only medications that will be administered by Camp personnel are those designated for an emergency situation, i.e., Epi-Pen. The parent/guardian is responsible for obtaining a Medication Administration form from the Camp Director, completing the form and giving it along with instructions and the medication to the Camp Director.

Discipline Policy

The Day Camp program is designed to promote a positive and enjoyable experience for all the children. Children are expected to respect the physical well-being and rights of others and maintain respect for Camp property. We believe that children can learn through positive reinforcement and direction. Please keep in mind that the Day Camp staff has the responsibility to insure safety and positive experiences for all the children in the program. It is, therefore, not possible for us to handle severe behavioral problems. We will, when necessary, bring serious problems or recurring difficulties to the parent's/guardian's attention and seek resolution. Aggressive behavior and bullying will not be tolerated. Behavior of this nature will result in immediate termination from the program.

MIDDLE SCHOOL DAY CAMP

Middle School Camp

The Middle School Camp is a camp within our traditional camp designed especially for children entering 6th, 7th and 8th grades. The Middle School campers will enjoy their own campsites and covered pavilion adjacent to the traditional camp. College aged counselors will supervise the children in age appropriate activities.

Staff

The Camp Director has a bachelor's degree in education, recreation or a related field. Counselors are hired from the community and are at least 18 years old. Our staff/child ratio is 1:10. All staff has first aid and CPR training.

Apparel

Each camper is required to wear a WGRC grey t-shirt on all field trips. The t-shirt is labeled with the Camp's address and phone. T-shirts can be purchased from the WGRC or the Camp Director.

Field Trips

The campers will go on a weekly field trip adventure off-site. Transportation will be provided by West Geauga School busses and the children will be supervised by counselors and an adult. Field trips are designed to provide campers with age appropriate activities away from the traditional camp and offer opportunities to learn new skills and enjoy the thrill of adventure.

Parents sign for permission for their child(ren) to attend the field trip on the Registration form. Details describing that week's field trip will be sent home with each child on Monday. Safety is our number one priority. The following items will be available on each field trip: roster of staff and children, destination information, field trip plan, first aid supplies, Registration and Health Medical forms for each child. The children will be instructed, prior to the trip, on the location, activities and rules. There will be an adult accompanying the counselors and children on each trip. The adult and counselors will each be equipped with cell phones/2-way radios.

Most of the field trips are structured activities, however, when the children are allowed to be on their own, they will be paired or put in small groups with a counselor. No child will be permitted to participate in an activity alone. The children will be instructed at each field trip site where to meet and scheduled check-in times. Children that do not comply with the rules will spend the day with the adult supervising the trip. Children that consistently do not follow the rules will not be permitted to attend field trips.

Some field trips take place outside and require dry, warm weather to be successful. If the weather does not cooperate, the field trip will be canceled and alternate activities planned at the Camp. Field trips have to be scheduled in advance and can not be rescheduled. Field trips are included in the Camp registration fee and no refunds will be given when field trips are cancelled.
